SECRET CRUSHES

The letters just keep coming and we're glad they do. Turns out our readers are very astute and know what they like when they see it. But the best part is when they enunciate those thoughts and feeling into a letter or an e-mail and send them to us.

Your last issue of **Swank** was amazing. All the ladies were delicious eye candy, and if I could fuck them all, I'd be the happiest guy on this planet. But of all of them, I cannot believe how hot Roxy Taggart is, and what a hot scene she did. She's so hot and then to let the guy fuck her was incredible. The pictures tell a story of a beautiful woman, unashamed of sex and willing to let her and her most intimate times be photographed for some nerdy guy at home like me. We need love too, even if it's self love. Anyway, keep up the good work, and I'll keep buying, and do all that stuff your magazines are made for.

— Tommy P., Kansas City

I'm finally getting around to you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the girl-girl couplings. It's nice to see young people doing things most of us only can dream about. To that end, I just want to comment about those two super sexy felines in the pictorial: Sammie & Puma. I love lesbian women and those two were the cat's meow. The long hair, the long fingernails, the long tongues, that all makes me crazy hot. Over the years, I've gotten off many a time to each issue, but this one has to be right up there with my highest ratings. If you could find it in your heart, and in your library, can you print just one more picture of these two. I need another rush!

— Ellen P., Denver

Wishful Thinking

Brooke Belle

California born and bred, Brooke is the epitomal valley-inspired girl, full of good looks, boundless energy, and a sexual appetite that stretches all the way to Hollywood. We couldn't wait to spend a few minutes with this always-on-the go babe. Then she had to go.

Wishful Thinking

Brooke Belle

Us: Brooke Belle is finally in view. And what a sight she is! Those have to be five inch heels she wearing, and a lace-up purple bustier with skin-tight black yoga pants. She stops about ten feet from me and does a runway turn for me and laughs out loud. Wow!

Brooke: Did you like that? I've been practicing it (the turn) for a few weeks now.

Us: Uh... yeah. I think you got it down real good. But why?

Brooke: Oh, no real reason, just having fun with myself. I can get pretty goofy.

Us: Yeah, so I've heard. It's been said that you have done some pretty silly things on set. Tell me one.

Brooke: Really? Do I have to? (I nod yes) Okay since you're making me do it. Lemme think... Well, there was this time that I wore this black page boy wig and went to my video shoot. I was talking with a couple other performers and heard the director going crazy saying "Where's Brooke? She's late. We got a shoot to do!" He's standing right beside me but didn't realize it was me. I whipped off the wig and my blonde locks fell out. I touched his cheek and told him I was ready to go. He chuckled and got a bit of a kick out of it.

Us: Good story. What else you got for us?

Brooke: I'm so damned horny all the time, I'm like a teenage boy; sex always on the mind. At work,

Wishful Thinking

Brooke Belle

I find myself checking out all the guys and girls wondering what they would be like to screw. That includes the guys the other girls have scenes with. But I especially like to tease the P.A.s (production assistants) 'cause they are usually guys or girls who have not been around for long. At first they'll seem embarrassed, but I make them feel better right away. Sometimes, I'll write notes on my break that say, "You're cute." and pass them out to all the crew members discreetly. Then when they show them to the others, thinking they're the only ones getting them, they'll look at me, smile and know they've been had.

Us: We know you like girls – a lot – but can you tell us about the type of men that are a turn on for you.

Brooke: I like younger guys and older guys as well. I'm always a willing one nighter if the guy is kind. But he has to come home with me; that's my rule. Some guys get kicked out after we've screwed and some get to stay the night and get breakfast. It depends on how good they are at getting me off. I'm wild and loud and adventurous in bed. Most guys love that and want to come back for more. But I decide that. I'm not really a size queen, but girth is good. TFor me, the wider the cock, the more it seems to fill me up, and I like that. But reality is; my personal life has taken a back seat to my professional life, and for now that's okay. I tend to get enough sex at work.

Us: Many girls today start doing porn at 18. You started at 24 or so. May I ask why?

Brooke: Of course you can. (giggles) I had other interests right out of high school. It didn't even cross my mind, and I really wasn't exposed to it very much. My interest in it was very gradual. Going to photo shoots of my girlfriends. Then doing my own shoots, then some videos, and you know the rest. Initially I started doing solos and girl-girl scenes. Now I do it all and even enjoy group scenes.

Us: Were you always that adventurous?

Brooke: I've always liked sex, and have had both boyfriends and girlfriends, and liked the two equally. With my boyfriends, the sex was always pretty straight forward. But I tended to get a little wilder with my girlfriends. We could go out together and pick up someone for a fun time. That's a bit more difficult to do with a guy. We especially liked picking up other girls and going back home for a wild time. You'd be surprised how uninhibited some of those girls can get.

Us: Are you in a current relationship?

Brooke: Not really. I like my work and it's difficult to find or to trust someone who's not in the business. Although, one day I hope to settle down, maybe New Mexico.

THERE WANTING TO DO ME?

NANCY GETS NAILED

The roofers did one hell of a job on her roof. Now one stayed behind to do a job on her.

"This is useless!"

I closed my laptop in frustration.

Writing was an exercise in futility; it sounded like World War III up there. My apartment was getting a new roof. I had been listening to the pounding of hammers and the shooting of nail guns all morning. The timing couldn't have been worse as the first draft of my master's thesis was due in less than a week. A whole semester of procrastinating had turned up the pressure, big time.

Sure, the roof was old and leaky and in dire need of repairs. Still, I was much more interested in earning my degree. I was sick and tired of waiting tables to make end's meet. Needless to say, I was more than ready to land a "real job" with regular hours and good benefits, a respectable gig commensurate with my education level.

I got up from my desk and opened the sliding glass door. My little balcony afforded me an unobstructed view of the courtyard below. Some of the roofers had gathered under the shade of a pine tree for a mid-morning break.

I leaned against the railing and smoked a cigarette. They were shirtless, each and every one, and deeply tanned from toiling long hours in the sun. The physical nature of their work had bestowed them with muscular arms and shoulders and washboard abs. These were men, real men; nothing like my wimpy male classmates.

Of course my peers were smart and destined for lucrative careers, but that could only count for so much. I had gone out with a few of them, each date a major letdown. Inexperienced and selfish, they had small dicks and came far too quickly. If I didn't hook up with a proper stud soon I was going to lose my mind . . .

Taking one last look at the roofers, I dropped my cigarette in an empty beer can and went inside. What with the racket and all, writing at my apartment was definitely out. I regarded my bicycle propped against the wall.

It was time for a trip to the library.

Fingers tapping my keyboard at a frenzied pace, I worked through lunch and into the afternoon, not even stopping to take a smoke break. The college library was a great place to buckle down and get some real work done. I typed and read and typed some more. Then, without warning, my concentration crumbled.

Images of the hot roofers flooded my mind. De-

spite considerable efforts to stay focused on my studies, I couldn't shake the mental slideshow. I could see them, all sweaty and fit and raw, standing there in the courtyard outside my apartment.

I was getting wet just thinking about it—

"Good grief," I muttered.

Grabbing my book bag, I headed for the restroom without delay.

I claimed the nearest stall, secured the door, and sat on the toilet lid. I don't know about most gals at this school, but I always carried a dildo in my book bag. What can I say? I'm a firm believer in being prepared. The overpowering urge to get off can strike at any time. Fingers are great, sure. Still, nothing could compare to my trusty glass blown phallus. She was top of the line, my most prized possession.

I lifted the hem of my sundress and pushed my panties aside. Lube was unnecessary; my pussy glistened with juice. I spread my legs and glided the dildo up and down my slit, periodically rubbing its mushroom head against my clit. Closing my eyes, I lost myself in the fantasy, imagining one of the roofers bending me over the desk in my apartment and fucking me from behind, fucking me good and proper.

Heartbeat accelerating, pulse pounding, I manipulated the dildo faster and faster, ramming it in and out of my cooze. I came with an intoxicating rush, unleashing a high-pitched wail as waves of pleasure rippled through my body.

I got dressed, opened the stall door, and washed my hands, promptly returning to my table where I spent the remainder of the afternoon writing.

I rode my bicycle home to find the roofers hard at work. They would be toiling until sundown, I reasoned. No wonder those guys were in such great shape. There was something to be said for hard manual labor.

Of course the noise was louder than ever, but I no longer minded. Not so much, anyway. I had gotten a lot of work done on my thesis, meeting my word count quota for the day. The rough draft was taking shape. I felt much better about things in general.

I was tired, spent, my mental faculties drained. A quick shower, I thought, then a few cold beers to relax. I looked forward to the quiet sundown would bring.

And I was just about to take off my clothes when I heard the commotion outside. Curious, I returned to the balcony. Two roofers were arguing in the courtyard; they traded insults and almost came to blows before being separated by coworkers. Such a raw display of male hostility turned me on. I was horny again, just like that.

But my dildo wouldn't cut it.

Not now, not after watching two hunks on the verge of a brawl.

Toolbox in one hand, nail gun in the other, one of the roofers involved in the confrontation headed to the

parking lot. I assumed he had been fired. Or perhaps he was quitting. There was only one way to find out.

"Hey," I said, slightly out of breath from rushing down the stairs, "are you okay? I saw what happened down there—"

"I'm fine," the roofer said. "Tired of working for assholes, but that's nothing a few cold ones can't take care of."

We were standing in the parking lot beside his pickup. He hoisted his tools into the truck's bed and appraised me with a stunning pair of brown eyes.

"What's your name?"

"Nancy," I said. "And yours?"

"Kermit,"

"Like the frog?"

"Yeah," he laughed, "like the frog."

"I hope you didn't get fired, Kermit."

"I quit. But it's no big deal. I can always find another job. Roofers are in high demand." Kermit opened the driver's side door, started to climb in, then paused. "Are you hungry, Nancy?"

Hungry and horny, I thought. Of course I didn't tell him this; perhaps later after I got to know him a little better.

"I could eat," I said.

"Hop in. I'm buying."

At the Mexican restaurant Kermit downed four

shots of tequila, chasing each one with a bottle of beer. Any concerns I had about the booze affecting his sexual performance were promptly snuffed after we returned to my apartment.

He was standing in my kitchenette, a blessedly quiet kitchenette as the roofers had gone home, when I knelt, unzipped his jeans, and pulled out his cock.

"You don't beat around the bush, do you?"

"I've been horny all day," I said.

His was a beautiful cock, thick and long.

I licked its length, sliding my tongue up and down, base to cap. It wasn't long before I was blowing him like a porn star. Salvia oozed from my mouth, dribbling down my chin as my head pumped back and forth. I gobbled his dick with maniacal glee. Kermit held my head with both hands and thrust, ramming it home, fucking my sloppy face with a series of quick jabs.

My pussy was gushing.

I was eager for him to fuck me, ready for my fantasy to become reality.

Kermit must've read my mind; he pulled out of my mouth and made his way to the bedroom. I followed like an obedient little cum slut. Leaning against the desk, I bent forward, placing my forearms atop its cluttered surface. Kermit moved behind me. He lifted my sundress, then yanked my panties down with force, ripping them in the process. I had never been so turned on in my life. I stared straight ahead, peering at the wall, my pussy getting wetter and wetter. I heard Kermit remove his belt seconds before he unzipped his workpants.

He teased me with his cock, moving it across my pussy lips, pushing it inside me for a split-second, only to remove it.

"Fuck me, baby. I want it so bad. Stick that big cock in my pussy."

Kermit plunged his rod in a single thrust. I grunted as he filled me, stretching my tight pussy to the max. He remained perfectly still for a few seconds. Focusing on the task ahead, I thought, gathering his strength before unleashing his fury.

Finally he fucked me like I had never been fucked.

Coarse hands holding my hips, he bored into me repeatedly, just like I had envisioned in the restroom at the library. The desk shook with each of his powerful strokes. My body quivered. A spaghetti strap fell over my shoulder, liberating one breast. He reached around, squeezing my exposed tit before freeing the other one; his sandpapery hands roaming all over my firm B-cups made me even hornier, even wetter, if that was possible.

Kermit pulled out. "Get on the bed."

Here was a man unafraid to take charge.

I obeyed his command, sitting on the edge of the bed, eagerly awaiting the next chapter of our mind-boggling tryst. Luckily Kermit didn't make me wait for long. He raised my dress, pushed my legs apart, and skewered

me. His cock went deep, boring into my center, tapping my depths. He thrust with sure strokes, feeding me every thick inch as I used one hand to rub my clit, the other to caress my tits.

It wouldn't be long now. My orgasm was approaching. And Kermit's was, too.

"Come in my face, baby! I want it all!"

I hopped off the bed, kneeling before him with gaping mouth, ready to receive his load. Kermit tugged his prick three times. That's all it took. Ball sauce beaded my tongue and face. I swallowed, ingesting his spunk.

"Yummy," I said.

"Glad you like it."

"Cum tastes like sprouts."

"I wouldn't know."

Kermit gave me his number before taking off. I took a long shower. Hair wet, I went out on the balcony in my robe and smoked a cigarette. Despite the darkness, I could still make out the tree where the roofers had sought refuge from the sun. They would be back tomorrow, minus Kermit, to finish the job with their noisy hammers and nail guns.

But that was okay.

I planned on calling Kermit. Hopefully he would meet me in the stacks. I had always wanted to fuck in the library.
